WORLDWIDE WHOLESALE WAREHOUSE INC.™

	Dermatitis and sensitive skin could develop after repeated and/or after prolonged contact with human skin.
Skin Absorption:	Toxic concentrations will probably not be absorbed through the skin in humans
Eye contact:	This material may cause eye irritation.
Treatment:	
Ingestion:	Drink water or milk to dilute. Induce vomiting only if advised by physician or a poison control center. Call a poison control center immediately.
Inhalation:	No vapors appear at normal working temperature.
Skin Contact:	If irritation occurs, remove contaminated clothing and footwear. Wash material off the skin with plenty of soap and water. Wash clothing and footwear before reuse.
Eye Contact:	Immediately flush with plenty of water for at least 15 minutes. If irritation persists, have eyes examined and treated by medical personnel.
Fire Fighting Measures	
Suitable Extinguishing Media:	Dry powder, foam, carbon dioxide, water
Unsuitable Extinguishing Media:	None Known
Protection of Firefighters:	Wear self-contained breathing apparatus and other protective clothing.
Accidental Release Measures	
Personal Precautions:	Watch out for slippery conditions with spillage. Avoid contact with eyes.
Environmental Precautions:	Keep away from drains and ground water
Methods of Cleaning Up:	Where possible, flush down drain to waste treatment sewer; otherwise on small spills, use chemical absorbent and sweep up. For large spills, contain and collection.
Handling And Storage	
Handling:	Handle with care and avoid spillage on the floor. Spillage could result in a slippery surface.
Measures of Safety Handling:	Consider normal working hygiene.
Storage:	Store in a cool dry place. Keep away from heat or direct sunlight.
Suitable packing materials:	Coated steel drums, plastic containers, dark glass containers
Non-suitable packaging materials:	Direct contact with iron, bronze, or copper.
Exposure Control/Personal Protection	
Further measures to the design of technical equipment:	No special measures.
Respiratory Protection:	No special measures at normal room temperature and indicated use.

WORLDWIDE WHOLESALE WAREHOUSE INC.™
